PRINCIPAL, CLAYTON COBB

ASSISTANT PRINCIPAL, KATHERINE SUCKLE

Dear St. Joseph Families,
We are already approaching the halfway point of the First 9 Weeks of the school year. Progress reports will be sent home on Wednesday. At St. Joseph, we encourage families to read it for what it is-a progress report for the the first 4½ weeks of the year that has included students getting accustomed to new teachers, routines, environments, and workload.

By now, some students have it figured out and some need more time. The gift of time is a precious gift and this may be a time to do a check-in with your child. To what are they adapting? With what do they still find themselves struggling. Take time to listen to hear what they have grasped. Take the time to see if they need help with organizing. Take the time to reach out to a teacher and see if there is something that you can do as a parent to assist your child. Students begin the year with a high level of enthusiasm. They wish to plug in to clubs and sports and groups. While these are all good things, children are very good at overextending themselves before they realize, "I have too much on my plate." Reflect. It may be that they need to say no to something for the sake of their report card coming up in another 4½ weeks. Let us prayerfully consider the steps that will set our students up for success. Just as much as the gift of time is of great benefit, so is the gift of being able to say, "No." Just some food for thought.

Please review Page 3 for an amazing opportunity to support our school.
St. Joseph, pray for us.

as a friend**

**Looks Like:Folding my hands
when I pray**

Sounds Like:Silence

PRAYER:

**Dear Jesus, I desire to have
You as my best friend. Give
me a desire to spend time
with You each day, as I do
with my friends. Help me
always to put You first in my
life, even when I am busy.
Amen.**

ST. ELIZABETH OF THE TRINITY

**Elizabeth started out as a
strong-willed, stubborn child,
but she had a great desire to
enter the Carmelite
monastery in Dijon, France.
When she was twenty-one she
became a Carmelite, and she
found great joy in praying
before Jesus in the tabernacle
and thinking about the
Blessed Trinity. She said that
her name in heaven would be
Laudem Glorise, "Praise of
Glory," for she desired to
praise God's glory eternally
in whatever way He desired.**
