VIRTUE OF DOCILITY

ST. DOMINIC SAVIA

DEFINITION:

Willingness to be taught

PRAYER:

Dear Jesus, You are my teacher in every situation! Before acting on important matters, please give me the humility to seek Your wisdom and the wisdom of others, in order to make the best decision.

One day young Dominic asked his teacher, St. John Bosco, to teach him how to be a saint. He eagerly listened to everything Don Bosco told him and put it into practice. He wanted Jesus and Mary to be his best friends and would rather die than commit a mortal sin. Several of the boys at the school admired Dominic and thought of him as a friend. He grew quickly in virtue because he was docile and obedient to all that Don Bosco taught him.
